December 2023

After working for Prestonfield Neighbourhood Project for 8.5 years, Gina Robertson our Day Room Supervisor has decided it is time to retire, her final day working at the Project will be December the 22nd. Gina has been a vital part of our Team and has shown great experience, knowledge, and dedication to her role. She has provided us with so many fun activities, memories and laughs over the years, and will be sadly missed by all. We would like to thank Gina for all her hard work over the years and wish her a very happy Retirement.
